Mr. Nordine:

Thanks for your clarification of what EPA wants to see in Central Wire's response to EPA comments dated 12/18/2013. Central Wire will respond to the EPA comments individually as well as revise the August and October Monthly Progress reports and resubmit a revised RCRA CMI Status report.

The Attachments referenced in the draft response to comments we sent to you last week are attached to this email.

Please call with any questions. If not, we will talk on 2/6/2014 at 1:30 pm.

Regards,

Jack
